

Dear Valued Business Owner:

We are reaching out to your organization in hope to acquire sponsorship in support of Veterans Judo team USA (VJUSA) at the 2025 Veterans World Judo Championships being held in Paris, France.

The mission of Veterans Judo USA is to create opportunities for Veteran players to continue growing personally, physically, and technically in the sport of Judo. We aim to provide training and collaboration opportunities focused on the growth of veterans Judo players at all levels, from novice to experienced. Our goal is to organize and assemble the Veteran Judo players to work in unison and elevate the judo community in the nation, with the intent of participating in national and international events.

To ensure a strong representation at the 2025 World Judo Veterans Tournament Paris we seek your sponsorship to help cover the significant travel, lodging, and meal cost. Many of our finest athletes are unable to afford these expenses, which limits the participation and potential success of team USA on the international stage. Your sponsorship will play a critical role in empowering our athletes to compete with pride and determination.

By sponsoring Team USA, you are not only supporting our athletes but also associating your brand with a movement dedicated to excellence, camaraderie, and the continued pursuit of athletic greatness in the sport of Judo. Join us in making a substantial impact on the International Judo scene while gaining unparalleled exposure and recognition.
