

Dear Valued Business Owner:

We are reaching out to your organization in hope to acquire sponsorship in support of Veterans Judo USA (VJUSA) at the 2025 Veterans World Judo Championships being held in Paris, France from 3-7 November 2025.

The mission of Veterans Judo USA is to create opportunities for Veteran players to continue growing personally, physically, and technically in the sport of Judo. We aim to provide training and collaboration opportunities focused on the growth of veteran Judo players at all levels, from novice to experienced. Our goal is to organize and assemble the veteran Judo players to work in unison and elevate the judo community in the nation, with the intent of participating in national and international events.

To ensure a strong US representation during this edition of the Veterans World Championships, we seek your sponsorship to help cover the significant travel, lodging, and meal cost for our athletes. Many of them are unable to fund all these expenses, which limits the participation and potential success of Team USA on the international stage. Your sponsorship will play a critical role in empowering our athletes to compete with pride and determination. By sponsorship Team USA, you are not only supporting our athletes but also associating your brand with a movement dedicated to excellence, camaraderie, and the continued pursuit of athletic greatness in the sport of Judo. Join us in making a substantial impact on the international Judo scene while gaining unparalleled exposure and recognition.

We are offering many sponsorship options to make it easy for your business to support. Here are some of the options:
